Jeff Morrissey vs. Jason Morey

You will have 3 weeks to coordinate with each other to complete your matches. Once completed, please report the results back to me by email. Please give me winner and final match score.

(Matches should be completed by March 14th, 2011)

I am going to suggest that IF there was an issue of controversy during a match that two players could not resolve (rulings, etc) then please elect to play a second ball alongside the first for that specific hole. Score the hole under both possible situations and the commissioners (Tony & Dave) will determine proper ruling after play is completed. This way we will insure proper outcomes and fair play. Players can also speak to the PRO at the course if he/she is available as they will know proper match rules too.

If anyone is setting up a tee time, you may want to consider shooting out an email to group to see if there is a possibility of creating a foursome with another match pair. Just a thought.
