

Tournament Highlights—Antelope Hills (North) and McCormick Ranch (Palm)

Our last two events have included 27 players at Antelope Hills (North) up in Prescott and 43 at the McCormick Ranch (Palm) course. All the important stats are below. Here are some of the highlights:

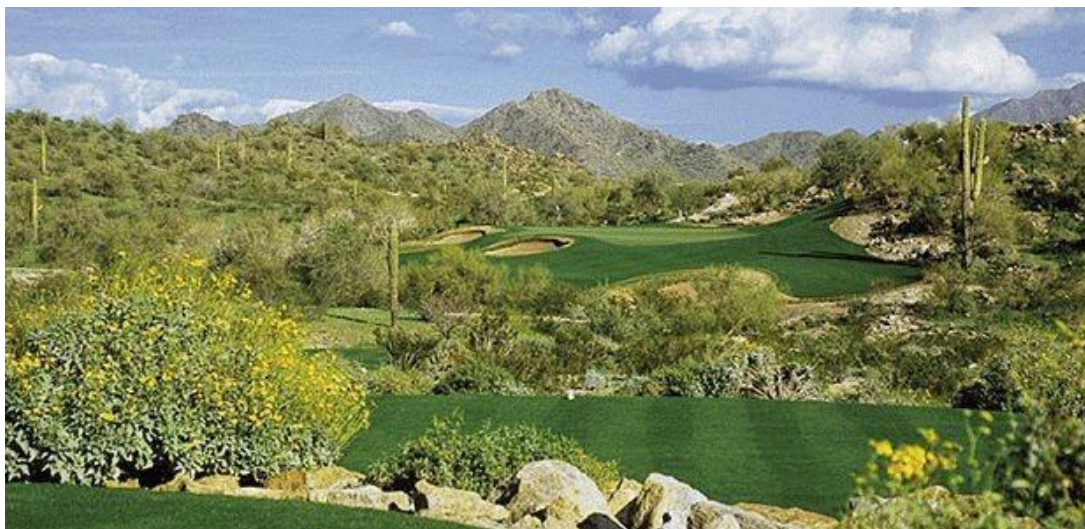

- The 88.0 average gross and 72.0 average net at Antelope Hills were our best of the current season
- June Vutrano's net 57 at Antelope was the lowest yet this year
- Brennan Murray's win at Antelope was his 3rd already this season, planting him firmly atop the SGL Cup points list
- The par-5 5th at Antelope Hills is our new easiest hole of the year, at an average of just 0.37 strokes over par
- Jeff Thursam has now won or shared Low Putts three of the last four weeks
- It was a case of "Orange Man Baaaad" at McCormick Ranch, as Tom Hegna posted both the low gross and low net, plus a flight win (obviously), the most birdies and the most money on the day
- The distribution of birdies at McCormick was unusual, as we posted them on 15 different holes (high), but no single hole had more than two

Next Up—Golf Club at Estrella

We welcome winter grass this weekend as we head out to the Golf Club at Estrella in Goodyear, which will have reopened just one day before. It will obviously be cart path only, so pay extra attention to not leaving any of your clubs out there.

The course is Troon-managed and designed by Jack Nicklaus II. It is the league's first appearance here since 2010. The shotgun start is at 8:00. It will be a good idea to check the [ADOT](#) site for the status of I-10 before heading to the course.

Estrella's signature hole, the par-3 17th. Hit toward the right side and let it feed down.

Not Too Late For Ringers

Just a quick reminder that you can still sign up for Ringers. We currently have 46 entries. The next Ringers round at Longbow is on December 14.
