# SGL WEEKLY TEE

# **DID YOU KNOW...**

The first golf balls were made of leather and feathers. During the early days of golf, balls were made of leather wrapped in feathers. Manufacturers would wet the feathers and wrap them around a ball of leather, which helped the feathers dry around the leather. Although a very timely process, this process didn't produce the most reliable golf ball. Makes you think twice about throwing a ball away! Later, it was rumored (not confirmed) that golf balls were made of wood.

# SAN MARCOS RECAP – 2.12.2022

A huge group of 59 golfers teed it up at San Marcos last Saturday... was the Phoenix Open in town or something?

Dan Gallegos was *en fuego* I- easily taking Flight #1 with a 75 net - very nice! Michael Broudy continues his hot streak by taking Flight #2 with a 64 net - what! Bradley Walker was the Flight #3 winner with a 68 net - sweet! And Lovell Robinson had an incredible performance to take Flight #4 with a 63 net - get outta town! And Brian Fischer earned his stripes in the Callaway flight with a 72 net - nice! Congrats to all the flight winners!

Five deuces were circled on Saturday's scorecards by Jeffrey Evans, Robert Owen, Derek Oldham, Richard Pielewicz and Robert Cluff - wow! And don't forget about Bradley Walker's Eagle on Hole #5 - nice!

Did I mention Bradley Walker already? Well... he posted his 68 net score with help from his putter as it took Bradley only 24 putts to get through his round. Well done Bradley.

CTPs paid out \$52 each to Robert Cluff, Murray Nelson, John Wilhelm and Derek Oldham. Quick note about Derek's CTP... Robert Owen surely thought he had it on Hole #8 by putting it inside three feet of the hole, but Derek nearly aced it by putting his tee shot two inches BEHIND the hole. Nice shot Derek!

Top money winner was Dan Gallegos with \$101 - awesome!

Congrats to all winners at San Marcos!

# **RINGERS UPDATE**

The two remaining Ringers dates at San Marcos: 3/12 and 4/2. The cost is \$25 to enter, and you can still enter!
