DID YOU KNOW?

Some people like to ride in a cart, others enjoy the walk, and a few ride a surf board-type carts, but the majority of people ride in a cart. But when did the golf cart start to become a thing? In 1932, the first golf cart was actually homemade and was popular with those who had a disability. In the 1950s, manufacturers started larger production, but it wasn't until the early 1970s when the gas powered cart became a huge hit with the public.

STONE RIDGE RECAP - 4.16.2022

A smaller group of 21 golfers made the trip north to Stone Ridge Golf Course in Prescott Valley. Actually, there might have been a few more people who started the round but when the wind started to blow with such gale force might... a few golfers were never heard from again. Visors, head covers and other equipment was continuously found due to the gusty conditions - but, we persevered. Especially Tom Hegna.

Tom turned in a astonishing 72 net (75 gross) scorecard to take Flight #1 - an amazing feat in the *Perfect Storm* conditions. Joe Pilewicz was dialed in posting a 76 net to take Flight #2 - outstanding! Joe Galli won a tie-breaker to take Flight #3 with a 78 net - very nice! Richard Carroll posted an 80 net to swipe Flight #4 - sweet! Congrats to all the flight winners!

There were only 2 deuces last Saturday by Tom Hegna and Jeff Coughran earning \$20 a piece. Nice job fellas!

There was a 4-way tie for low putts (31) between Dan Gallegos, Dave Dean, Jeff Coughran and Joe Galli. That's a goocher!

The CTP markers were claimed by Dave Dean, Jeff Coughran, Dan Gallegos and Tom Hegna! Each CTP was \$20. Outstanding!

Top money winner was Tom Hegna with \$79 - sweet as sugar!

Congrats to all winners at Stone Ridge!
